Improvement Programs

Handbook Includes:

- Program Details

Multifamily Residential Improvement Programs

There are two multifamily incentive programs: MFR-VIP (exterior improvements) and MFR-UIP (interior improvements). The Multifamily Residential Improvement Programs are intended to provide a property owner with financial assistance for the substantial rehabilitation and renovation of multifamily residential properties, substantial upgrades to multifamily properties that have changed ownership, and the conversion of office/retail/industrial properties to multifamily residential. Eligible properties must be located in the city's Redevelopment Areas 1 and 2 (RDA).

PROGRAM OBJECTIVES:

- Induce greater multifamily residential investment
- Increase and maintain quality, safe, clean work force residential units downtown
- Improve the overall economic viability of the city of Las Vegas
- Act as a catalyst for nearby property owners to encourage participation in the revitalization of the surrounding neighborhood
- Renovate existing multifamily residential projects to market standards
- Encourage multifamily property owners to reinvest in and renovate their properties
- Improve the aesthetic nature of properties
- Encourage the rehabilitation of older vacant multifamily residential
- Convert office/retail/industrial properties to multifamily residential
- Help reduce urban blight
- Help bring properties up to city code standards
- Enhance the physical appearance of the area

INCENTIVE PARAMETERS:

- Provide financial assistance for significant interior and/or exterior improvements.
- Rebate 50 percent of a project's renovation/upgrade costs, up to a maximum of \$25,000 for exterior and up to a maximum of \$50,000 for interior. For every \$2 spent on eligible expenses, \$1 can be rebated by the city.
- Projects in key designated locations may receive an increase in the incentive amount with the maximum up to \$50,000 for exteriors and up to \$95,000 for interiors.
- A combined incentive (both exterior and interior) is available but cannot exceed \$95,000.
- One project per fiscal year is allowed.
- Funding available annually on a first-come, first-served basis.
- The Redevelopment Agency has agreed to budget a certain amount of funds for this program, which may be amended from time to time. Once all budgeted funds for the fiscal year are expended, no further funds may be awarded.

PROPERTY REQUIREMENTS:

- Located within one of the city's Redevelopment Areas in tax districts 203, 204, 207, 212, 213 or 214
- Zoned for commercial, industrial or mixed-use operations
- Free of all mechanics' liens
- Properties with more than four units for rent within the same building or property footprint
- Owner must invest a minimum of \$20,000 per unit of overall project costs
- Only existing multifamily residential properties, existing mixed-use properties or existing commercial buildings being converted to multifamily residential (either solely or as a mixed-use project) are eligible

Significant Exterior Visual Improvements:

- Work must result in a combination of **significant exterior visual improvements**. Examples: façade upgrades; parking facilities; matching signage; painting; lighting; new or repaired/ replaced windows, doors and awnings; window tinting; improved entryways; 24-hour monitored security systems; neon sign renovation; permanent public art installations; and external improvements required to bring a building/property up to code.
- Permanent landscaping may be covered in this program, but must comply with city codes and ordinances and be consistent with any development plans adopted by the city of Las Vegas and the Redevelopment Agency. (Check with the city's Department of Planning at 702.229.6301 or planning@lasvegasnevada.gov before submitting application forms.)
- Additions and expansions to buildings that will benefit the overall appearance of the property may be eligible.
- Demolition of obsolete structures or signage improvements may apply when undertaken as part of an overall renovation project.

Significant Interior Unit Improvements:

- Work must result in **substantial interior unit improvements**. Examples include architectural, structural, MP&E upgrades; ANSI/ADA accessibility upgrades; fire prevention upgrades; utility upgrades; infrastructure upgrades; new flooring; new fixtures; period-appropriate fixtures; costs of relocating/removing walls; new plumbing; and painting.
- Eligible investments of city fees, code compliance and interior upgrades qualify for this incentive, including but not limited to:

 - Pre-Review Building & Safety Meeting Fee
 - Land Use Entitlement Application Fee
 - Building & Safety/Fire Prevention Permit and Plan Check Fee

MFR PARTICIPANT AFFIDAVIT & EMPLOYMENT PLAN

STATE OF NEVADA }
 } ss:
COUNTY OF CLARK }

I, _____, being first duly sworn, depose and state under penalty of perjury as follows:

1. I am a corporate officer, managing member, or sole proprietor of the _____, a company duly organized in the State of Nevada as a _____, (Corporation/LLC/Sole Proprietorship). The Participant is seeking the assistance of the city of Las Vegas Redevelopment Agency ("Agency") for making improvements to the property at _____ ("Site"), as more particularly described by the MFR-VIP or MFR-UIP agreement ("Agreement") being contemplated by the city of Las Vegas Redevelopment Agency.

2. I hereby warrant that I own the site.

Assistance from the Agency will allow me to make improvements to the site which I could not otherwise do. This will result in substantial benefit to the Redevelopment Plan Area and the neighborhood adjacent to the Site because of one or more of the following reasons (**check one or more**):

- a. Encourage the creation of new business or other appropriate development; ☐
- b. Create jobs or other business opportunities for nearby residents; ☐
- c. Increase local revenues from desirable sources; ☐
- d. Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located; ☐
- e. Possess attributes that are unique, either as to type of use or level of quality and design; ☐
- f. Require for their construction, installation or operation the use of qualified and trained labor; ☐ and
- g. Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency. ☐

3. No other reasonable means of financing those buildings, facilities, structures or other improvements are available, because of one or more of the following reason(s) as **checked** by the Participant:

- a. An inducement for new businesses to locate, or existing businesses to remain within, the redevelopment area in which the business would ordinarily choose to locate outside the redevelopment area if the grant were not provided. Evidenced by a "but for" letter or statement from the property owner; ☐ or
- b. There is a public objective and/or requirement that is more stringent and/or costly to undertake than a business would ordinarily embark upon. Evidenced by state or city ordinance; ☐ or
- c. There has been a lack of rehabilitation in the area and it is deemed unreasonable for the business to invest in improving the area unless the grant is provided. Evidenced by photographs of the immediate surrounding area displaying the slum and blight; ☐ or
- d. The exterior improvements to the property do not have a direct effect on revenues therefore, making such an investment is not deemed acceptable by a customary financial institution. Evidenced by a denial letter from a financial institution. ☐

MFR PARTICIPANT AFFIDAVIT & EMPLOYMENT PLAN (continued)

Participant agrees to submit to the Agency its documentation that evidences that no reasonable means of financing are available to the Participant.

4. Participant hereby warrants the following:

- a. The property on which the project is situated is free of all Mechanic's Liens at the time of application. _____(initial)
Landlord supplies proof
- b. The applicant has no current bankruptcy proceedings, or past bankruptcy proceedings, whether corporate or personal, within the past five years. _____(initial)
- c. The applicant has no past-due federal, state, county or city of Las Vegas tax bills at the time of application. _____(initial)
- d. The applicant has no past-due bills or debts payable to the city of Las Vegas or the Redevelopment Agency. _____(initial)

5. Participant hereby acknowledges that existing opportunities for employment within the surrounding neighborhood of the redevelopment project are limited for neighborhood residents. Most residents must travel outside the neighborhood to find employment opportunities outside the redevelopment area, via public transportation or personal vehicles. Of the existing businesses within the neighborhood, many are family- owned and have been in business for a long time. These existing businesses are not in an expansion mode and are not likely to employ neighborhood residents.

Furthermore, the project will help facilitate the continued expansion of employment and residential opportunities by setting an example to other property owners to renovate their property and help create more residential and/or employment opportunities through an expansion of business and renovation of multi-family residential units. The Project will allow neighborhood residents to apply for those positions (when available) for which they are qualified for as an employment opportunity. Appropriate measures will be taken to ensure that the neighborhood is aware of any job opportunities available from the business.

6. I also hereby agree to and understand that in conjunction with participation in the MFR-Visual Improvement Program and/or MFR-Unit Improvement Program, the city of Las Vegas will record a non-exclusive façade easement and/or building maintenance agreement to the above-listed property, at the completion of the pre-qualified improvements. The documents will be recorded in the Office of the County Recorder of Clark County, Nevada Records for a period of five years. The property owner and/ or business owner will have the option to repurchase the façade easement and/or building maintenance agreement from the Agency during the five-year period.
